# Commission on Improving the Status of Children in Indiana

---

**Committee: Data Sharing and Mapping**

**Date:** 8/8/2019

**Summary of Recent Progress:**

We have made progress on the use cases from Medicaid. Specifically, we have completed the use cases supporting strategic objectives 1.3 and 4.3 regarding analyzing Medicaid outcomes of high school graduation cohorts. We will be presenting to the co-chairs of the Educational Outcomes Task Force on August 16<sup>th</sup>.

Information Sharing Guide: Responses have been gathered from the agencies, the legal white paper review is nearing completion and the final app updates are under review. We anticipate having updates complete early this fall for version 2.0 of the Info Sharing Guide.

**Anticipated Date for Presenting Completed Deliverables or Recommendations to the Commission:**

October or December 2019
